

Secondary School: Bohunt School Wokingham

Open Evening Thursday 20 September 2018, 5.00 – 8.30pm

Please note there will be four identical talks: 5.15, 6.00, 6.45 and 7.30pm – please attend only one

See the innovative new school in Wokingham

- Hear from the Head about current success and future plans
- Learn about our exciting educational plans that include a huge outdoor programme, a rigorous academic focus and a STEM (Science, Technology, Engineering & Maths) Curriculum
- Hear about the benefits of being part of the Bohunt Education Trust (BET) – TES School of the Year 2014
- Have a go at hands-on activities and workshops in science as well as rock climbing in our double Sports Hall
- Meet teaching staff and students from the school and across BET

Open Mornings 24 September – 5 October 2018

Daily tours available any time between 09:05 – 10:30am.
No late admission. Come and see the school in action and experience the Bohunt spirit.

Bohunt School Wokingham

Sheerlands Road, Arborfield

Reasons to choose Bohunt Wokingham:

You will settle in quickly:

Before you join us we will visit you at your Primary School and invite you to Bohunt Wokingham to meet staff and students, find out where things are and try some fun lessons. You will make new friends at our Summer School and will quickly settle in due to the help you'll receive from your classmates, your tutor, your mentors (older students who will be around to answer questions) and all the other lovely people at Bohunt Wokingham.

Something for everyone:

An Expressive Arts production every year for all year groups, science competitions, brand new teaching and sports facilities, 121 iPad scheme for all, dance workshops with professional dancers, a vocal group, band, huge range of clubs, leadership opportunities, eco group, and lots of other stuff too. Learning experiences such as scuba diving, sailing, kayaking, gardening, bush craft skills as well as trips, residentials and climbing are the starting points for our learners to engage in adventure education, leading to the Duke of Edinburgh's Award and culminating in the opportunity to go on a Bohunt Big Expedition.

Learning at Bohunt Wokingham:

Our core purpose is to provide high quality learning and teaching through engagement with the latest research and initiatives such as: a specialist STEM curriculum, flexible learning spaces, industry links, a unique language offer and fantastic facilities. These, along with exceptional experiences outside the classroom, such as expeditions, help our students to develop the skills and confidence to become leaders and game changers.

Amazing sports:

Have fun using our dance studio, MASSIVE sports hall and indoor rock climbing wall. Play sport during PE, compete for your tutor group or house, take part in our extra-curricular programme, and play for a School Team. Our teams will compete against other schools in football, netball, rugby and athletics. This will grow as we do. We will offer a huge range of sports including professional basketball and cricket coaching, rugby, handball tennis, volleyball, badminton, table tennis, hockey, gymnastics, including trampolining and dance to name a few.

See you at the Open Evening on Thursday 20 September

and at our open mornings Monday 24 September – 5 October 2018
