BOHUNT WOKINGHAM WEEKLY BULLETIN

Dear Parent and Carers,

Yesterday evening we welcomed nearly 30 families to our annual Awards Evening. The students selected continually demonstrated our ethos of Enjoy, Respect, Achieve across last academic year, often overcoming a number of personal or academic challenges in their pursuit of excellence. We were joined by three guests from the Royal Mechanical and Electrical Engineers, who awarded The Apprentice Cup celebrating resilience, The Bluebell Bowl celebrating collaboration and The Rowcroft Cup celebrating innovation. We thank them for attending and continuing to remind us of the links between the school site and its military history. It was a lovely opportunity for us to celebrate the achievements of our school community and as ever, I was blown away by how exceptional our students are.

The majority of our Year 11 students have now completed their mock exams, and we have continued to commend them on their dedication and commitment. I hope that they will spend this weekend recuperating and we look forward to watching them open their results during our mock results period on 8th December.

Next week we will be holding our year 10 parents evening and I hope that as many of you as possible will be able to join this. The discussions that we have with parents during this evening allow us to look at successes and areas for development over the remainder of the year. Just a reminder school will be closing at 13:05 for All Years.

And finally, a thank you to the whole school community, who having been reminded of the expectations around litter, have really embraced this for the remainder of the week. The school hall has been left safe after social times meaning it can be enjoyed by the whole school community. I thank them all for their efforts.

I wish you and your family a restful weekend.

Jen Comber

All Years - Communications

Littering

We will be reminding our students of the expectation which is simple - if they have rubbish, they need to place this in one of the numerous bins across the school site. What was lovely to see was a group of students really displaying our ethos of respect by picking up not only their own litter, but that of others, and I thank them wholeheartedly for this.

Parking

Please can we kindly remind parents and carers to drive carefully and patiently when onsite and keep to our 10mph speed limit, also to be mindful not to block local residents' driveways or allocated parking bays when dropping off / collecting students from school.

We ask all parents/carers as always to observe the usual rules for road users and remain polite, courteous and careful whilst on school site at all times.

Lost Property

We have an ever increasing amount of lost property. If your child has misplaced any of their personal belongings they are welcome to come to Reception before school, during breaks or after school to see if these have been handed in. If it is clearly labeled you will receive an email and you or your child will have a maximum of two school weeks to claim their belongings, unfortunately we are unable to hold items for longer than this period

Year 7

Voice in a Million (email sent 15.11.23)

Voice in a Million' Concert. The deposit payment can be made via the School Gateway by Friday 24th November.

Year 8

Voice in a Million (email sent 15.11.23)

Voice in a Million' Concert. The deposit payment can be made via the School Gateway by Friday 24th November.

Year 9

St Ives Trip 2024 (email sent 15.11.23)

Art department Photography Trip to St Ives 2024 expression of interest can be made via the School Gateway by 6pm on Thursday 30th November.

Year 10

Parents Evening (email sent 07.11.23)

Year 10 Parents evening bookings will close at 1pm on the 23rd November.

Science Teachers- Parent Evening (email sent 10.11.23)

All students in Key Stage 4 now have 3 Science Teachers - one for each specialism (Biology, Chemistry and Physics).

Unfortunately it will not be feasible for all Students and Parents to see all 3 of their science teachers at Parents' evening. To ensure that all students have the opportunity to see at least one of their science teachers, we have assigned a lead teacher to each class. You will be able to make an appointment only with that lead science teacher for your child's class, and that teacher will be able to give feedback on behalf of all their science subjects.

St Ives Trip 2024 (email sent 15.11.23)

Art department Photography Trip 2024. Expression of interest can be made via the School Gateway by 6pm on Thursday 30th November.

Year 11

Prom Tickets (email sent 06.11.23)

We are pleased to inform you the deposit payment deadline for the Year 11 Prom has been extended. The Gateway will now be visible until Friday 24th November.
