BOHUNT WOKINGHAM WEEKLY BULLETIN

Welcome from Ms Hampton, Exams Officer

I am delighted to introduce myself to you as the Examinations Officer for Bohunt Wokingham. I have held this post for 18 months but I have 15 years experience at another Secondary school and also a popular Sixth Form college. I have a wealth of knowledge with the examination system in both GCSE and A-levels.

My role is to do all the entries and administer all the internal and external examinations ensuring the examination process is as stress free, calm and positive as possible for our students. I work with a team of 32 invigilators and 2 lead invigilators that are the glue that holds this process together. Without their care and attention to detail the examination process would be a very different experience.

Now that the year 11's have finished their exams, I would like to take this opportunity to congratulate them on their maturity, focus and behaviour during the six week period that was the "Summer Exam Season". At times it seemed like it would never end but they smashed it!

I would now like to hand you over to Mrs Nicola Taylor.

Welcome from Mrs Taylor, SIMS & Data Manager

Now in my third year here, I look after SIMS, our Management Information System (MIS) which we use to manage student and staff contact information, registers, timetables, academic targets, progress assessment and reporting.

Most recently I've been supporting our exam efforts and, now, my attention turns to getting ready for next year! We were delighted to welcome our Year 6 future Game-Changers for their induction on Wednesday. Behind the scenes we have been contacting primary schools, parents and carers, gathering information to smooth transition so that they are ready to Enjoy Respect and Achieve from Day 1.

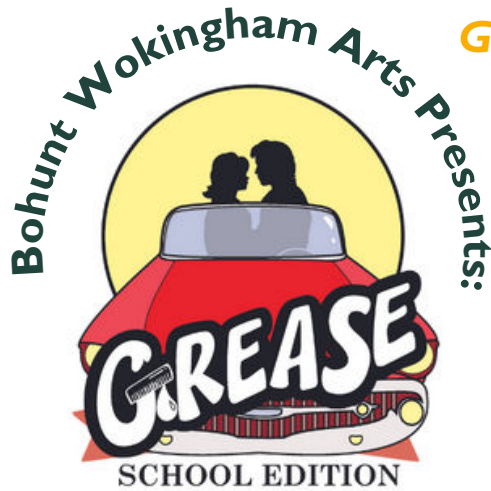

On Monday, our Year 8's were triumphant in the Year 8 Maths Challenge, hosted by The Costello School and yesterday our Year 10's set off on their Silver Duke of Edinburgh qualifying expedition (thank goodness the temperature has cooled slightly from Wednesday!). These are just two examples of our ongoing wider personal development of students at Bohunt.

We look forward to the excitement of the remainder of this term and will be here to celebrate the achievements of our wonderful students on Results Day in August!

As the weather gets hotter, may we please ask that students carry a refillable water bottle with them at all times. Water fountains are available on site, however we are not able to offer plastic cups. If your child suffers with hayfever, please ensure they have taken hayfever medicine before coming to school.
