BOHUNT WOKINGHAM WEEKLY BULLETIN

Welcome from Ms Comber

Dear Parents and Carers,

I hope you and your families had a restful and enjoyable Easter break. It's been a busy and energetic start to the new term here at school with plenty already happening across the school.

We began the week with our start-of term assemblies which was a valuable opportunity to come together as a school community. These assemblies gave us a chance to reflect on our school values and expectations, reminding students that every minute in school counts and how much can be gained from making a 1% improvement at every opportunity.

We've also had the start of some GCSE exams taking place this week. Our Modern Foreign Languages speaking exams have begun, and students have approached them with great focus and maturity. These are a vital part of the qualification process, and staff have been impressed by the calm and confident way students have prepared and performed. Meanwhile, our GCSE Art students have been immersed in their practical work, producing some truly impressive pieces.

Outside the classroom, a group of students had the opportunity to attend a performance of Starlight Express. The trip was a real highlight, offering students the chance to enjoy a spectacular and unique piece of musical theatre. As always, it's fantastic to be able to support our students' wider personal development and connect them with the arts in such an exciting way.

The week hasn't been without its logistical challenges, particularly with the ongoing roadworks near the school site. Thank you for your patience and understanding as we've navigated the disruption, particularly around drop-off and pick-up times. We'll continue to monitor the situation closely and keep families updated. We are currently anticipating the disruption continuing next week.

Thank you, as always, for your continued support.
