BOHUNT WOKINGHAM WEEKLY BULLETIN

Welcome from Mr Percival - Site Assistant

Hello Everyone!

I joined Bohunt at the start of the year as a Site Assistant, and I'm thrilled to be part of the team. My role here is both dynamic and rewarding, as every day brings a new challenge and opportunity to contribute to the school community.

As a Site Assistant, I work alongside the dedicated site team to ensure that our school facilities are always maintained to the highest standard. Whether it's setting up classrooms and event spaces, performing repairs, or conducting routine maintenance checks, we strive to create a safe and welcoming environment for students and staff alike. One of my favorite parts of the job is troubleshooting unexpected issues—whether it's a leaky tap, a faulty light, or a stuck door, we're always ready to roll up our sleeves and find a solution. I also assist with health and safety checks, ensuring that all equipment and spaces meet the required standards.

Beyond maintenance, the site team is integral to supporting school events. From setting up for assemblies and open days to managing logistics, we help bring these activities to life. This week, as part of the school's wider personal development programme, we welcomed in Narrative Alchemy who performed their play of "Unacceptable" to Year 10. A thought provoking drama examining sexism, sexual harrasment and sexual violence. The performance encouraged our Year 10 students to consider their own beliefs and consider the impact of language used on a daily basis.

Yesterday was a hive of activity as a group of students headed to Bath University with Mr Thomas, as part of Salters Festivals of Chemistry 2025. Students had the unparalleled opportunity of hands-on practical chemistry experiences within a university laboratory within the Discovery Days programme. Some of the KS4 Mandarin students headed to Showcase cinema for a screening of Ne Zha 2. A Chinese animated film that reinterprets elements of 16th century Chinese mythology. The showing was in Mandarin, a chance for our students to apply their classroom knowledge in the wider world.

Working at Bohunt is an incredibly rewarding experience. It's great to know that my contributions directly impact the learning environment and help create a positive space where everyone can thrive.

Wishing you all a great weekend.

SCHOOL HOLIDAY ADVENTURE VOYAGES FOR YOUNG PEOPLE SAILING ON BOARD *PROLIFIC* WITH OCEAN YOUTH TRUST SOUTH

Many of OYT South's voyages, especially in school term-time, are designed for group bookings with schools or other organisations. But we also run holiday voyages for mixed individual bookings, where people aged 11-25 can come on their own or with one or two others, and make new friends.

These voyages are also ideal for DofE Gold Residentials where the rules state that you must be with people you don't already know.

In summer 2025, we have a programme of voyages out of Southampton, Poole and Brixham, as well as a fantastic Tall Ships festival in Le Havre. There's also a Southampton voyage during October half-term, and an adult weekend. No sailing experience needed for any of these voyages.

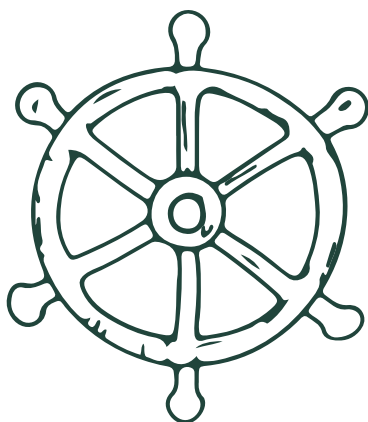

Join us for an adventure holiday in 2025!

"[My son] was absolutely buzzing on his way back in the car on Sunday, telling us all that they had done, how to sail, how good the staff were, how well organised everything was and how nice everyone was! ... It has been many years since we have seen him so excited!! ... He said the crew created a great atmosphere within the team and treated them all as young adults which he really liked."

"I loved every minute of it, it has changed my thoughts about going outside and getting stuck into things."

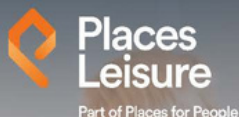

"It was a truly brilliant five days with many memories made. Everyone was in top form and bonded very well and very quickly. This made the trip 100 times better. A big thank you to all the crew and staff, who were very nice and helpful."

"I wanted to write and say a huge thank you for my son's amazing trip with you. He returned so enthusiastic about all aspects of sailing, loved the team work and the interaction with others from all walks of life. The energy of the group was clearly electric and he very much hopes to come again. Thank you to everyone for hard work, patience, enthusiasm and encouragement."

"This voyage has been much better than I ever thought it could be! The mates and crew have been spectacular; there was nearly always a laugh; and best of all when I first boarded I knew nothing of sailing - now it's all I talk about!"
