

Friday 20th June 2025

BOHUNT WOKINGHAM WEEKLY BULLETIN

Welcome from Mr Hulland - Assistant Headteacher - Achieve

As you read this, on a sunny Friday evening, it seems apt to begin by reflecting on the fact that Wednesday (18th June) marked the final GCSE exam for our Year 11 students. It would be fair to say that this Year Group's journey has been anything but typical, having finished Year 6 in July 2020, their final months of primary school heavily impacted by the National Pandemic. Despite the complex end to primary / start of secondary the 2025 leavers have embraced life at Bohunt with resilience and maturity fully embodying our ethos of enjoy respect achieve. To all of our game-changing Year 11's, we wish you the very best in the next stage of your educational journeys. We look forward to seeing you all on results day on 22nd August when your hard work and determination comes to fruition.

As one Year Group departs, we prepare for the arrival of the next, with our new cohort of 270 students joining us for transition day next Wednesday. Primary school visits complete, transition meetings held, tutor groups created and a transition timetable designed, all that now remains is for our new students to step into Bohunt and join our school community. We are very excited to welcome all Year 6 joiners next week and very much look forward to welcoming the sea of new green blazers in September.

With change very much the focal point of my reflection, as a teacher who joined the school back in 2016, I must confess my excitement at another change for our school community. Whilst it has felt like a long time since our first ever cohort of students left us (back in 2021), and the frustration at not being able to offer them a place to continue their post 16 studies, watching the building work begin for our brand new Sixth Form building has brought a smile to my face. Knowing that our fantastic Year 10 students will be able to remain with us until they are 18 years old, in brand new, premium facilities, brings much anticipation for the future.

Aside from the end of GCSE's, this week has seen Year 10 students starting their trial practical NEA's in Food, and our fantastic U13 and U15 Boys Athletics Squads competing at the ESAA Track & Field Cup Regional Finals on Wednesday. Today has seen us celebrate Make Music Day with performances from an array of students at both break and lunch. Assemblies this week have been led by Mr Griffith who has introduced the newly appointed Senior Student leadership team to all students (please see our social media). A very enthusiastic group of students who students and staff alike look forward to collaborating with over the next academic year.

With July fast approaching final preparations are taking place for the 2025 Game Changers week, with 3 residentials and a huge number of offsite trips and visits it is certainly a week for unparalleled opportunities. Final details will be shared with you in the coming weeks.
