BOHUNT WOKINGHAM WEEKLY BULLETIN

Welcome from Miss Hurst & Miss Davies-Wild - Year 7 Year Progress Lead & Assistant Year Progress Lead

It has been a real pleasure to welcome back our returning students and to see them bring such a positive energy into the new academic year. A particularly warm welcome from us goes to our new Year 7 cohort, who have settled in exceptionally well and embraced the transition to secondary school. From day one, they have shown a great deal of enthusiasm, resilience, and a genuine excitement about becoming part of our Bohunt community and we look forward to seeing them continue to grow with us.

At Bohunt, our school ethos of enjoy respect achieve underpins everything we do—and it's been wonderful to witness our Year 7's engaging with this so positively from their first day. As their Year Progress Lead and Assistant Year Progress Lead, we have the privilege of overseeing their pastoral care, working closely with our fantastic team of tutors to ensure every student is supported, happy, and thriving both in and out of the classroom.

We encourage all of our students to be Game-changers, those who take initiative, act with kindness, and make a positive impact on their community. We are proud to say that Year 7 are already stepping up to this challenge. By the end of their first full week, they had earned an impressive 3,014 positive house points, with over half awarded in the Enjoy category. This clearly demonstrates their positive attitude towards transition, active engagement, and growing confidence in lessons.

Beyond the classroom, Year 7 have also thrown themselves into the wider life of the school. Last week, they had the opportunity to try out for various sports clubs, and we were delighted to see over 170 students attend a sports Co-Curricular activity on only their second and third day at Bohunt. This level of participation so early on shows how eager they are to embrace the unparalleled opportunities available at Bohunt. The full Co-Curricular timetable launched this week with such a vast array of activities for students across all year groups to get involved in, explore and try something new.

We have high expectations for all students and all throughout the year groups have risen to the occasion beautifully. From meeting our uniform standards and wearing the Bohunt badge with pride, to demonstrating consistently excellent behaviour and engagement in lessons. Their enthusiasm, maturity, and willingness to get involved will continue to have the positive impact on the #WeAreBohuntWokingham community.

We look forward to sharing more successes with you as the year progresses.
