BOHUNT WOKINGHAM WEEKLY BULLETIN

Welcome from Mr Woolley - Deputy Headteacher

For those who may not yet know me – and for our new Year 7 families, a very warm welcome – my name is Oliver Woolley and I have the privilege of being Bohunt Wokingham's Deputy Headteacher. I joined the school community in June and it has been an absolute pleasure to begin this academic year alongside our students and staff. My role is to support Mr Bibby in leading the school, ensuring that our young people experience the highest quality of education and unparalleled opportunities in line with our values of enjoy respect achieve.

This has been another busy and enriching week at Bohunt Wokingham. Assemblies led by Mrs Parnaby, our Head of Modern Foreign Languages, have celebrated European Day of Languages – inspiring students to value communication, cultural awareness, and the power of oracy. We also welcomed parents of Year 10 to their information evening and met with Year 11 parents to share guidance on supporting their children as they enter a crucial year of mock and final GCSE examinations. We also welcomed in Years 7, 8 & 9 parents in across Monday evening for the information sessions for the summer residentials (Years 7 & 8) and Bronze Duke of Edinburgh (Year 9)

Beyond the classroom, paddle boarding continues to provide adventure and resilience-building for our younger students, while our Health and Social Care BTEC students have benefited from a valuable nursery visit as part of their course.

I am also delighted to share with you the launch of our brand-new Sixth Form website, which showcases Bohunt Wokingham Sixth (BW6) and the exciting opportunities it will bring when it opens in September 2026. You can explore the site here: www.bohuntwokinghamsixth.com. Shortly, I will also be writing directly to parents of Year 11 to confirm details of our BW6 Fest Open Evening – a fantastic opportunity to learn more about our Sixth Form vision on the evening of 16th October.

I hope that your child is able to take stock of the progress and contributions they have already made within our school community, on Friday, whilst our staff developing their expertise in their respective areas, at INSET, so that we can be even better at creating the next generation of game-changers.

As ever, I feel privileged to work with such talented students and dedicated staff. Thank you for your continued support, and I look forward to meeting you in person as the year progresses.

Wishing you a restful weekend.
