BOHUNT WOKINGHAM WEEKLY BULLETIN

Welcome from Mr Bibby - Interim Headteacher

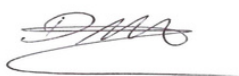

I hope you are well as we finally said goodbye to September and move into October.

This week has been an incredibly exciting week at Bohunt Wokingham. The sixth form build continues to take shape and is making good progress. We have held key meetings discussing classroom and Science lab designs, along with the amazing open spaces and learning zones within the build. Without a doubt the facilities which our sixth form students will use will be first class. On Thursday 16th October we look forward to welcoming our Year 10 and 11 students and families to our first BW6 Festival when they will have a chance to see and hear about what sixth form life will be like. Please see the [BW6 website](#) for further information. Booking for one of the headteacher talks is required, details can be found [here](#).

In other exciting news, the new astro turf has been laid and signed off by the contractors and FA this week. Wednesday evening saw our first fixture on the astro and students will begin to use the space again in PE over the next few weeks.

For me personally, the most exciting event that happened this week was our school's Open Evening. As (Interim) Headteacher of Bohunt Wokingham I was incredibly proud to see the whole school community come together and showcase the amazing work and unparalleled opportunities that take place each and every day at school. We welcomed over 1,300 visitors through the doors, who toured with our fantastic and knowledgeable game-changers. Our visitors experienced rock climbing, trench warfare, bug eating, science experiments and a maths dance mat! Even 20 of them went scuba diving in our scuba tank! It was a fantastic evening and we look forward to welcoming in our prospective families over the next few weeks during our open mornings.

Wishing you all a relaxing weekend.
