BOHUNT WOKINGHAM WEEKLY BULLETIN

Welcome from Mrs Tanner - Assistant Head Teacher - Student Wellbeing

It has been another vibrant and rewarding week at Bohunt Wokingham, filled with exceptional opportunities for our students to challenge themselves, showcase their talents, and continue developing as true game-changers within our school community.

The week began with an impressive display of commitment from those taking part in the Big Expedition in 2026 as they completed their second practice dive on Sunday. Later that day, students enjoyed an inspiring visit to the Copper Box Arena, where they watched high-level live netball and experienced the atmosphere of a world-class sporting venue.

On Tuesday, we were proud to host our Awards Evening, celebrating the hard work, character, and achievements of students across all year groups in the 2024–2025 academic year. A special thank you goes to our Year 9 and 10 Hospitality and Catering students, who provided delicious sweet and savoury canapés for the event. More than 35 awards were presented to students from Years 8, 9, 10, 11, and last year's Year 11 cohort. We were delighted to welcome friends of the school from REME and the Arborfield Old Boys Club to join us in the celebrations. It was a privilege to hear how our game-changers continue to embody our ethos of enjoy, respect, achieve.

For Year 11, this week also marked the end of written mocks, and we commend students for the resilience and maturity shown throughout the exam period. Next week, we move into the next phase with Art and Photography mock exams, as well as Food Technology NEA practicals—further opportunities for students to demonstrate their creativity and determination.

We are incredibly proud of the energy, ambition, and commitment shown by all our students throughout this week and the year to date.

Finally, a reminder that Wednesday 26 November 2025 is an INSET Day. The school will be closed to students while staff take part in vital training.

Wishing you all a lovely weekend.
