BOHUNT WOKINGHAM WEEKLY BULLETIN

Welcome from Mr Woolley - Deputy Head Teacher

Good afternoon Parents and Carers,

As we come to the end of another week at Bohunt Wokingham, I want to thank you for the continued support you give your children and our school. It has been a purposeful and positive few days, with our students once again showing the curiosity, kindness and ambition that make them true game-changers within our community.

Although this has been a slightly quieter week in terms of the calendar, students have continued to embrace the rich range of opportunities available to them in school. My assemblies on Inclusive Teaching and Learning have now been delivered to Years 9, 10 and 11, with Years 7 and 8 taking part next week. These sessions focus on how we can all contribute to learning environments where everyone feels valued, respected and able to thrive – very much aligned with our ethos of enjoy respect achieve.

This week also included several important moments in our enrichment programme, which continues to offer students unparalleled opportunities to broaden their horizons and challenge themselves beyond the classroom. On Wednesday, families attended the Big Expedition (Thailand) 2026 Information Evening, where they heard more about this extraordinary global adventure and the independence and personal growth it fosters. On Thursday, students took part in our Carol Service at St Eligius Church, Arborfield, which once again proved to be a warm and reflective community event marking the season beautifully. And today, Friday, a group of students travelled to Belgium for our Bruges Christmas Market trip, returning very late this evening after what has undoubtedly been a memorable and festive experience for all involved.

Meanwhile, our Year 11 students deserve particular praise. Having worked exceptionally hard throughout their mock examinations, they have begun to shift their focus towards next steps and future aspirations. Preparations have been well underway for our first ever Sixth Form Futures Week, which begins on Monday and will give students a genuine insight into what post-16 learning looks like – whether they choose to continue with us at BW6 or pursue routes elsewhere.

Although this week has felt relatively calm, the next fortnight will be extremely busy as we head towards the end of term. We look forward to celebrating achievements, offering further enriching experiences, and maintaining strong momentum right up until we finish for the festive break at **1:10pm on Friday 19th December**.

Thank you once again for your ongoing support. It remains a privilege to work with such a dedicated staff team and such aspirational young people. I wish you and your families a restful weekend.
