BOHUNT WOKINGHAM WEEKLY BULLETIN

Welcome from Mr Stromdale - Assistant Headteacher Teaching & Learning

I am writing this as I stand in the sunshine outside our rapidly evolving sixth form centre, now unmistakably a building rather than a construction site. The winter mud is giving way to firm pathways, and what was once a skeletal frame is now a series of real rooms, corridors and these will eventually be our purposeful learning spaces. It is remarkable how quickly a dream becomes brick, plaster and potential, and also how soon it will become a bustling community hub. The excitement across our community is palpable as we edge ever closer to opening a space that will shape futures for years to come and an array of opportunities and experiences to enjoy respect achieve.

This week also brought the joy of our Drama Performance Evening, where our talented students stepped confidently into the spotlight. Their energy, creativity and sheer commitment lit up the hall, and it was wonderful to share that experience with so many families. Thank you for your warmth, your applause and your unwavering support of both the performers and the school. Evenings like this remind us how powerful a community can be when it gathers to celebrate young people doing brave and showcasing the Game-Changers that they are.

We have also had the pleasure of welcoming our French Exchange visitors — a cheerful “bonjour!” to all of them. They were with us until Thursday, bringing a welcome burst of cultural exchange, curiosity and conversation to our corridors. Our students have embraced the opportunity with typical enthusiasm, and it has been heartening to see friendships forming over shared lessons, shared lunches and the occasional shared confusion over mis-translated phrases.

Meanwhile, our Year 9 students have been stretching their mathematical muscles in the Trust Mathematics Challenge, led with generosity and good humour by Mr Chan. Their determination and collaborative spirit were on full display, and we are immensely proud of the way they represented the school.

Our dancers have also been out in force, travelling to ExCeL London for the colossal dance extravaganza known as Move It! The sheer scale of the event is something to behold and is a truly unparalleled opportunity. Our students threw themselves into performance mode and with the kind of passion that makes you forget what time to catch the minibus home.

Looking ahead to the weekend, a number of our students will be taking part in the Duke of Edinburgh's Award Practice Walk. With rucksacks packed, boots laced and snacks carefully negotiated, they are gearing up for the challenge that lies ahead later in the year. The practice is an essential part of the journey — a chance to test resilience, teamwork and the ability to navigate both landscapes and the occasional group disagreement about which way to turn next.

All of this is happening under a sky that finally feels like it belongs to spring. The sun is warm, the air is soft, and there is a sense of renewal drifting across the site. After months of grey, it is a joy to see the world — and our school — brightening once again.

Absence and Medical Appointments

A reminder for all that Studybugs should be used for reporting absences only, for all other enquiries please email info@bohuntwokingham.com.

Where possible parents should try to arrange medical appointments outside of school hours. Should your child have a medical appointment during the school day please ensure you email info@bohuntwokingham.com to advise and also make your child aware so that they can come to Reception to sign out of school at the appropriate time.

September 2026 Uniform Update (18.03.2026)

Please check your inbox for a letter from Mr Bibby, Headteacher, advising that from September 2026 all students are to wear a white collared shirt and house tie. House ties can only be purchased directly from school, with the school gateway being open from **Friday 20th March 2026** until **9am on Friday 8th May 2026** to purchase a tie.

Lost Property

A reminder that students are responsible for their own belongings. If they lose an item they are welcome to check lost property located in the library or in the PE office. We strongly advise parents to label items. If an item is labelled we will make every effort to return the item to the students. Those items that are not labelled will be left in lost property for a number of weeks. If unclaimed they will be donated/disposed of as we are unable to hold items for long periods of time.

Meningitis Outbreak in the UK

There is a **current outbreak** of meningitis in the South of England, mainly affecting young people in sixth forms and universities. Sadly, two preventable deaths have already been reported, and 11 other young people are currently seriously ill in hospital.

Meningitis can come on **very** suddenly and get worse quickly. The symptoms aren't the same for everyone, and not all symptoms appear at once.

The best way to **protect yourself** is to make sure you've had the **meningitis vaccine**. If you're not sure whether you've been vaccinated, please contact us — we can check for you and help you stay protected.

Please scan the QR code for further information on the vaccines.
