BOHUNT WOKINGHAM WEEKLY BULLETIN

Welcome from Mrs Quaile - Year Progress Lead for Year 10 & Teacher of English

It's a pleasure and a privilege to introduce myself to the parent body in this, my third week, at Bohunt Wokingham. My name is Steph Quaile and I am the new Year Progress Lead for Year 10 and an English teacher.

What's struck me in my first fortnight here are the unparalleled opportunities open to the young people in our school community, from the day-to-day Co-Curricular Clubs to this week's UKROC competition. Our STEM department and young engineers will no doubt enjoy and achieve in equal measure - we would back them to space and back!

I'd like to offer my congratulations to all those Year 11 students who completed their Modern Foreign Language GCSE Speaking exams last week and this week. As well as the staff who organised and supported them. In preparation for the speaking exams over 130 students turned up to the Saturday session for speaking in preparation for these, which attests to the superb efforts of our MFL department and the commitment of our language learners. This week we have also celebrated International Dance Day with workshops during Dance lessons and the Co-Curricular Dance club lead by Ben Anderson who has appeared in a number of West End productions, including Hairspray and Mamma Mia. Ben and all the students involved definitely brought their energy and enthusiasm!

Wednesday also saw our mathematicians take part in the UKMT Junior Maths challenge and our Silver Duke of Edinburgh team (Year 10) headed out on Thursday to complete their qualifying expedition. We are hoping that the sunshine we saw at the start of the week holds throughout their time walking and camping. Be warned, carers at home, that while they may not summit geographical mountains on this trip, they will surely return with a 'mountain' of laundry! It is clear that the community thrives on Bohunt's determination to provide exceptional enrichment activities to ensure our young people truly enjoy respect and achieve both in and out of the classroom.

And all of this alongside our regular, outstanding learning. I very much look forward to meeting you in time, as we all spin from one unparalleled opportunity to another in the busy-ness of the Bohunt Summer Term.

I hope you all have an enjoyable bank holiday weekend.

All Years - Communications

Reporting A Student's Absence and Medical Appointments

A reminder for all that Studybugs should be used for reporting absences only, for all other enquiries please email info@bohuntwokingham.com.

Where possible parents should try to arrange medical appointments outside of school hours. Should your child have a medical appointment during the school day please ensure you email info@bohuntwokingham.com to advise and also make your child aware so that they can come to Reception to sign out of school at the appropriate time.

Warmer Weather Reminders

With the warmer weather now arriving, we kindly remind all students to bring a refillable water bottle to school each day. As temperatures rise, it is important that students stay well hydrated throughout the day. In addition students should be applying sunscreen before school to ensure they are protected when they are outside.

If your child suffers from hay fever, please ensure they have taken any necessary medication before coming to school.

Lost Property

We currently have a large amount of lost property, and students should check for and collect any missing items as soon as possible. Lost property is located in the library and in the PE office.

We strongly advise parents to label all items. If an item is labelled, we will make every effort to return it to the student. Items in lost property will be kept in lost property for a limited number of weeks; any items not claimed within this time will be donated or disposed of, as we are unable to store them indefinitely.

PE Important Information (29.04.2026)

Please see the communication from Mr Maye regarding students staying hydrated, ensuring they eat breakfast and sun protection as all lessons move outdoors.

September 2026 Uniform Update (18.03.2026)

Reminder that house ties can only be purchased directly from school and the school gateway is open until **9am on Friday 8th May 2026** to purchase a tie ready for September 2026.

Ties purchased will be distributed to students in July before Game Changers Week.

Significant Change Proposal for Consultation - Cranbury College

Maiden Erlegh Trust proposes making a significant change to Cranbury College, Cranbury Road, RG30 2TS. As this change is considered by the DfE to be a “significant change” we are formally consulting with stakeholders and partners. The Trust is proposing to:

- Operate a satellite site within the grounds of Great Hollands Primary School, Wordsworth, Bracknell, Berkshire, RG12 8YR. This will allow us to offer pupil placements for primary aged pupils to strengthen alternative provision, improve inclusion, and ensure vulnerable children and young people are educated as close to home as possible.
- This provision will be lead and managed by Cranbury College and its staff and will remain a separate provision from Great Hollands Primary School. Where appropriate, staff from both settings may support across both provisions as part of the wider Trust staff deployment practise.
- The addition of 5 pupil placements designated to pupils aged 5-16 with an EHCP to be located at College Road, Reading, Berkshire, RG6 1QB.

These proposed changes will require amending the school's supplementary funding agreement and DfE registration details.

Background and rationale for the proposed change

Cranbury College is an alternative provision provider for young people in the local communities ranging from 5-16 years old. We support learners recovering from the trauma of permanent exclusion, those that unintentionally exclude themselves from education and children who cannot access school for various reasons.

Cranbury College joined Maiden Erlegh Trust in August 2020 and has since grown and developed a comprehensive provision to support the needs of the local community. In January 2025, Cranbury College underwent its most recent OFSTED inspection and maintained the previous standards, 'Good' in all judgement areas. We are committed to a continuous journey of improvement for our whole school community.

Designating places for Local Authority primary aged pupils on the Great Hollands Primary School site

There is a clear and growing demand within the local area for high-quality, age-appropriate registered alternative provision, particularly for primary-aged pupils who are unable to access mainstream education due to a range of social, emotional, behavioural or medical

needs. Maiden Erlegh Trust proposes to host this provision within an adapted and appropriate space located at Great Hollands Primary School. The benefit of this proposal is that it continues to local provision for local children in an age-appropriate setting.

Maiden Erlegh Trust proposes to utilise space at Great Hollands Primary School that arises from falling pupil rolls. The school has a built capacity for 630 pupils, but current NOR is 255 pupils. The Trust has ring-fenced capital funds to make appropriate adaptations to ensure that the learning space for these pupils meets their needs whilst maintains appropriate safeguards.

Addition of 5 pupil placements for pupils aged 5-16 with an EHCP

A need has been identified to secure provision for pupils aged 5-16 who have an EHCP. Maiden Erlegh Trust proposes to host this provision at its College Road site. The benefit of this proposal is that high-quality provision can continue to be provided for these learners in appropriate accommodation that is suited to their needs. The Trust has ring-fenced capital funds to make appropriate adaptations to ensure that the learning space for these pupils meets their needs.

Innovation to support local communities

Maiden Erlegh Trust's strategic decision to expand its Alternative Provision offer through the capacity and expertise of Cranbury College arises from both an organisational need and the broader educational policy context.

The College's restructure in September 2025 has created an opportunity to reimagine the delivery of services to vulnerable learners. By separating the permanent exclusion placements from the proposed specialist SEMH provision and the wider Alternative Provision offer, Cranbury College can create a more comprehensive and preventative model, capable of both reducing exclusions and meeting the needs of complex vulnerable learners.

These proposed changes will add local capacity for Local Authorities to support children with an appropriate EHCP to access a specialist setting and support those vulnerable students to access a suitable interim provision within the local community.

Maiden Erlegh Trust would appreciate your response to this proposal:

- Do you support the proposed changes to Cranbury College outlined in this consultation?
- Do you have any comments to make on the proposed changes?

We value your opinion so if you would like to feedback into this consultation, please complete the short survey which can be found Cranbury College Consultation Survey: [Cranbury College Consultation April 2026 - Significant Change Proposal Form](#).

The consultation will run from Thursday 23 April 2026 to Thursday 14 May 2026.

Kind regards

Jon Peck
