BOHUNT WOKINGHAM WEEKLY BULLETIN

Welcome from Miss Hurst - Head of Lower School

This week's hot weather has presented a variety of challenges across the school, and I would like to commend our students for the resilience and maturity they have shown during this period. Staff have worked hard to ensure that students remain comfortable, hydrated and supported throughout the school day, adapting routines where necessary. Thank you also to parents for your support in helping students come prepared for the hot conditions.

As we move even further towards the end of another successful, diverse and busy academic year, there is a real sense of excitement building across the school community. The coming weeks continue to be filled with a range of unparalleled opportunities and celebration for our students, and it has been wonderful to see the enthusiasm with which they are embracing everything on offer.

This week, we were delighted to welcome our next cohort of students, the game-changers of 2031, into our school building. Their visit provided an excellent opportunity for them to begin experiencing the culture that makes our school such a unique and welcoming place. From the moment they arrived, they were introduced to our core values of enjoy respect achieve, and it was a pleasure to see them engaging so positively with our school environment and we look forward to welcoming them fully into our community in the years ahead. Throughout the course of the day many of our student leaders supported the younger students and modelled our ethos, despite the heat, impeccably.

Looking ahead, we are eagerly anticipating next week's school production of Matilda Jr. This is a fantastic enrichment opportunity, allowing students to develop their confidence and teamwork while contributing to something truly special for our community. Whether performing on stage, supporting behind the scenes, or attending to cheer on their peers, students will have the opportunity to be part of an event that celebrates talent and dedication. We cannot wait to see the hard work of our students and staff brought to life. There are a few remaining tickets on sale for the show, please head to www.ticketsource.com/bohunt-wokingham-school to purchase your ticket(s).

Finally, please continue to take care in the warm weather, enjoy the sunshine safely and encourage students to make positive choices.

I wish you all a wonderful weekend.
