9-15 students per group
(Boys and girls)
depending on activities.

Student only single sex
toilets and shower
blocks are available.

Year 8 Wales Adventure 6-9th July 2026

St Davids - Bug Farm

After you've settled into camp, you'll make your way to the Bug Farm. Here, you'll have a Tropical Bug Zoo Tour, get up-close and personal in the Up-Close Session, and learn about bugs and food in the Grub Kitchen. You'll be learning all about why bugs are so important for our ecosystems, and the important role they play in safeguarding a sustainable future, and you'll have the opportunity to taste some incredible locally sourced food and innovative dishes.

You'll return to camp for your first yoga session, relax, have dinner and then explore the coastline on an adventurous sunset walk, and then enjoy the warmth of the campfire for evening personal development activities.

Year 8 Wales Adventure 6-9th July 2026

Coasteering and Coastal Walk

After morning yoga, you'll have breakfast and then it's time for Coasteering, where you'll learn all about marine conservation and the importance of our oceans, whilst jumping off rocks and exploring the incredible coastline.

After lunch, you'll take part in the Surfers Against Sewage beach clean, which will open your eyes to the danger plastic poses to our marine ecosystems. Learn to identify key macro invert species found in Pembrokeshire, and discover how seaweed is being used by local businesses to combat global environmental issues.

Year 8 Wales Adventure 6-9th July 2026

Boat Tour and Explore St Davids

Today, you'll take a short trip to the coast to board the boat for your Ramsey Island tour, taking approximately 1 ½ hours. Keep your fingers crossed that you'll get to see some of the amazing sea life, including Atlantic grey seals, whales, dolphins and a vast array of sea birds. Here, you'll start to see nature and biodiversity in a new light, appreciating its importance and generating creative ideas for increasing engagement with conservation activities, and sharing the appreciation of the benefits of nature for mental health. Students will travel by private bus to meet the boats at St Justinian's.

Year 8 Wales Adventure 6-9th July 2026

Awards and Depart

After your final breakfast of the project, you will deliver a short presentation about your trip, then head back home with some amazing memories from the beautiful Pembrokeshire coastline.

Arrive back at school for 4.00-4.30pm

twitter.com/BohuntWokingham

Year 8 Wales Adventure 6-9th July 2026

Frequently asked questions:

What will the food be like? - Nice!

All dietary requirements are covered. There will be snacks and drinks throughout the day and dessert in the evening.

How long are the coach journeys?

Approximately 5 hours. Bring some cards, a book, or a simple game to play. We will stop for a short break half way.

What will we do in the evenings?

Dinner, tents, whole group campfire, play team games, visit the beach with friends.

What if I really don't want to do an activity?

No one will make you do anything you don't want to do. We will encourage you to try new things but we will never put you in danger or make you upset.

Year 8 Wales Adventure 6-9th July 2026

In case of emergency - Parent contact
Phone - 07743 596 799

Please keep for emergency use only.

Year 8 Wales Adventure 6-9th July 2026

Behaviour policy for residential trips:

We maintain high standards of behaviour on our residential trips:

If your child displays any serious behaviour that poses a risk to themselves or others we will require them to be collected early from the trip by parents/carers.

For other lower level behaviour we will operate on a 3 strike system.

- In the first instance your child will receive a warning.
- In the second instance they will receive a second warning and we will phone you to inform you if this
- In the third instance we will phone you and ask you to come and collect them
